Ocean Rudee & Company Storylines – Season 1

(Tentative broadcast premiere scheduled for October 2nd through December 25, 2011)

10/02/2011 – Show #1 – Gus Logan and SalliJane Peters stop by for their very first visit with Ocean Rudee. He reads them a story about Lighthouses and another sea-faring tale, which reveals his ability to bring books to life.

10/09/2011 – Show #2 – Ocean Rudee heads into town on his weekly shopping trip. He visits with Barnacle Babs and her 9-year old nephew Harlan just long enough to read them a couple of stories about shopping.

10/16/2011 – Show #3 – Ocean Rudee finds a small puppy that's been abandoned on the beach. It's clinging to some driftwood near the base of the cliffs - wet, cold and lonely. Ruby Peters and SalliJane arrive shortly after the discovery and animal rescue stories fill the air as 'Sandollar' begins to weave her magic spell upon them all.

10/23/2011 – Show #4 – Ocean Rudee meets Cap'n Whaley for the first time when he goes to town for supplies. Much to his surprise he discovers that the good Cap'n is one whale of a storyteller himself. When Aileen MacDonald joins in the fun Ocean Rudee decides to walk with her to Tojima's Hardware store before reading a story about good friends.

10/30/2011 – Show #5 – **Halloween Show** – Arriving late for the Halloween party at Barnacle Babs' house Ocean Rudee proceeds to tell everyone about his scary walk to town. It seems that some kind of strange voice was following along behind him screeching and moaning in the trees above his head. Koichi Tojima does not enjoy hearing about this and he, as well as Barnacle Babs, enjoys Ocean Rudee's scary Halloween story even less.

11/06/2011 – Show #6 – Ocean Rudee, Sandollar, FableCat and Chaco batten down the hatches when a powerful storm rolls onshore. Mr. Rudee then reads aloud a story to his three animal friends about the majesty and power of nature's fury.

11/13/2011 – Show #7 – Cap'n Whaley and Gus spend a lively evening together at the Lighthouse with Ocean Rudee's telescope focused on the full moon. Cap'n Whaley then reads aloud a moon-story they'll never forget.

11/20/2011 – Show #8 – **Thanksgiving Theme Show** Ocean Rudee visits with Gus, Ruby and SalliJane Peters on the Logan farm for Thanksgiving dinner. When everyone finishes their pumpkin pie it's time to go Imagination Travelin' once again.

11/27/2011 – Show #9 – Gus Logan and Barnacle Babs come to visit Ocean Rudee bearing gifts of seafood salad, fresh vegetables and goats. They're unable to locate him at first - but soon he's discovered outside the Lighthouse playing his new tuba, which of course leads him into one 'Imagination Travelin' adventure and then another.

12/04/2011 – Show #10 – Ocean Rudee knows he needs to catch up on his chores around the Lighthouse. But when Squashblossom shows up unannounced - he's off reading aloud stories about work and repair - rather than working and repairing.

12/11/2011 – Show #11 – The Garcia Family, including eldest daughter Angelica Garcia, own an upholstery shop in the village. One morning Ocean Rudee brings a damaged leather chair in "...along with a couple of good books to be read aloud".

12/18/2011 – Show #12 – Ocean Rudee and Gus are together at The Lighthouse attempting to repair a hole in the roof. Cap'n Whaley arrives with stories of 'roof repairs' from around the world and at midnight Ocean Rudee can be found outside on the cliffs blowing his tuba for all it's worth.

12/25/2011 – Show #13 – **Winter Holiday Theme Show** – Everyone comes to the Lighthouse for yuletide festivities. Stories and songs of holiday traditions from around the world are shared (along with hot apple cider) in front of a roaring fire.
