

When Ocean Rudee first moved into 'The Lighthouse' he didn't realize that another resident was already aboard. As the story goes, Rusty Anchor, the very first Lighthouse Keeper, had owned a feisty Blue and Gold Macaw Parrot named - Chaco. When Mr. Anchor was called away to serve in another jurisdiction he was unable to convince his fine-feathered friend to leave the safe and friendly confines of the lighthouse tower he'd learned to call home. Thus, when Ocean Rudee arrived on the scene it was Chaco who provided him with a welcome he'll never forget. The rest, as they say, is history...
