

Ocean Rudee's best friend, Gus Logan, was born and raised in New Orleans. He's tall, lanky and speaks with a southern accent. Gus lives on a 40-acre truck farm about 10 miles from the coast. Whenever he's in the mood for a couple of 'Tall Tower Tales' he heads toward the windswept seacoast and his pal Ocean Rudee. Each time he comes to visit, his old pick-up truck is loaded with either fresh vegetables, canned goods or fruit leathers for Ocean Rudee's pantry. Gus is married to Ruby Peters who has a 10-year old daughter (from her first marriage) named SalliJane.
