

Roland Whaley

At 8-years of age Roland is tall, slender, witty, a fast learner and he worships his grandfather, Cap'n Whaley, in a rather mischievous manner. He loves to play games - baseball, soccer, basketball, checkers, Frisbee and football are his favorites. Roland and Ocean Rudee became friends as soon as they met. With Cap'n Whaley and 'games' as common denominators, they've discovered many different ways to have fun together. In fact, Imagination Travelin' has become one of Roland's most enjoyable modes of transportation.
