

The Lighthouse

Cap'n Whaley

Way out on a windswept seacoast stands Ocean Rudee's **Lighthouse** and a small stone cabin. In the harbor nearby sits **Cap'n Whaley** – awaitin' another story from Ocean Rudee. His grandson **Roland Whaley** is ready for the next soccer game to begin. And, in the midst of the dry desert – **Squashblossom** listens to the southwestern winds as they speak to her ever so softly.
